

We are a group of three Respiriologists. We need a pulmonary function technologist to perform pulmonary function tests for us. We can accommodate full time hours, and upto 12 hour days depending on your schedule.

Required qualifications:

Registered cardiopulmonary technologist

or

Registered respiratory therapist (RRT)

or

another health care professional whose formal training included studies in the anatomy and physiology of the cardiorespiratory system

Job Types: Full-time vs. Part-time

Pay \$30- 32/ hour (if RRT or registered with CACPT)

Location:

2250 Bovaird Drive East, #308, Brampton, ON L6R0W3
