University Lung Clinic is a certified Level 3 pulmonary function clinic focused on quality patient testing. Our focus is to make a difference in people's lives by providing high quality respiratory services. We are passionate about quality patient care and timely access to pulmonary testing and education.

If you have successfully passed the CACPT exam and have your RCPT(P) or RCPT(CP) designation, we would love to hear from you!

Ideal applicants must demonstrate a positive attitude, the ability to work independently and cooperatively and to provide exceptional patient care. Additionally, they must be accountable, responsible and take initiative.

Required Skills & Qualifications:

- Membership in good standing with CACPT
- CPR Certification
- High attention to detail
- Exceptional communication skills, both verbal and written
- Proficient with time management
- Strong cardio-respiratory assessment skills
- Previous experience with pulmonary function testing and allergy skin testing preferred but not required

What's in it for you:

- \$38 per hour starting wage
- Extended appointment times to accommodate patient centered testing
- We promote positive Work-life balance
- Health spending account
- Paid onsite parking
- Access to amenities at College Plaza (gym, indoor pool, lounge area, co-working space, change rooms and lockers) at no cost to you.
- 2 weeks of paid vacation, plus 1 paid week during end of December, early January
- After 1 year of service, getting your birthday off (with pay)!
- Participation in an earned time off program
