DSR is expanding and has an exciting opportunity for an individual looking to join our dynamic and progressive Red Deer(Central Alberta) team.

Our organization is known for a high degree of professionalism and clinical expertise while allowing our team members to be progressive and shine. If you're ready for a challenge and want to contribute to a positive work environment, then DSR is looking for you!

Job Description

Dream Sleep Respiratory is seeking Respiratory Therapists to join our growing team. We offer an expanding line of products and services related to respiratory therapy, sleep disorders and related homecare equipment.

We have excellent opportunities for full-time and part-time RRTs. The ideal candidate will be able to work independently as well as part of a team. Organizational skills and an ability to work in a fast-paced environment are essential.

All staff members are a valued part of our health care team, providing quality care to our wide range of clientele. We take a great deal of pride in our ability to ensure our therapists are well trained and patient therapy-oriented.

Primary responsibilities include:

- -Providing clinical/technical evaluations and education to our respiratory clients
- -Setting up and monitoring CPAP/BiPAP therapy as well as completing necessary documentation
- -Making recommendations for patient equipment and performing quality home oxygen assessments
- -Establishing and maintaining contact with physicians and healthcare professionals regarding client status

- -Performing Pulmonary Function tests in accordance to accreditation and ATS standards

Requirements:

- -Respiratory Therapy Diploma in good standing with CARTA as well as the CSRT
- -Preferred experience working in homecare/clinic setting
- -Class 5 driver's License with clean drivers abstract
 - Customer Service experience preferred
 - Valid BLS/CPR Level C/HCP with AED . ACLS/NRP/CRE an asset

Thank you for your interest in DSR. Successful applicants will be contacted for an interview and asked to provide personal and professional references.

Remuneration:

- Competitive remuneration
- Moving expenses
- Signing bonus
- Paid flex and vacation days
- Health spending account

Job Types: Full-time, Part-time, Casual

Additional pay: Signing bonus

Benefits:

- Employee assistance program
- Extended health care
- Flexible schedule
- On-site parking
- Paid time off
- Vision care
- Flexible language requirement:
- French not required

Schedule: Monday to Friday | On call

Experience: Respiratory therapist or Pulmonary Function Technologist: 1 year (preferred)
