

# Love Diagnostic Testing, But Want a More Patient-Centered Environment?

*Monday to Friday, 8:30 AM – 4:30 PM | Red Deer, AB*

*Are you a Cardiopulmonary Technologist tired of high-volume, assembly-line testing where you barely have time to sanitize the equipment before the next patient walks in?*

At **Dream Sleep Respiratory (DSR)**, we are seeking a dedicated CPT to become key team member of our Pulmonary Function Testing program in Red Deer. You get to focus entirely on your core diagnostic expertise—delivering high-precision PFTs in an environment where patient care comes first, and your technical skills are truly valued.

## Why Make the Switch to DSR?

---

- **Quality Over Quantity:** Perform high-standard diagnostic testing with adequate time allocated per patient—no back-to-back conveyor-belt scheduling.
- **Specialized Autonomy:** Take pride in running an efficient, compliant PFT service as the dedicated diagnostic authority in our clinic.
- **Up to \$5,000 Signing Bonus + Relocation Support:** We'll help get you settled seamlessly in Red Deer.
- **True Work-Life Balance:** 8:30 AM to 4:30 PM, Monday through Friday. No nights, no weekends, no call, and no holiday shifts.
- **Comprehensive Total Compensation:** Competitive salary, Health Spending Account, Paid Vacation & Flex Days, and Free On-Site Parking.

## What You'll Be Doing

---

As our clinic's dedicated diagnostic specialist, you will be a valued member of our team and complete PFT operations, including:

- Performing comprehensive Pulmonary Function Tests (Spirometry, Lung Volumes, Diffusion Capacity, Bronchodilator Responsiveness) adhering strictly to ATS/ERS standards.
- Maintaining precise calibration, quality control, infection control, and accreditation standards for all PFT equipment.
- Preparing clear, accurate technical evaluations and diagnostic reports for reviewing physicians.
- Providing a welcoming, reassuring experience for patients undergoing diagnostic testing.
- Liaising directly with ordering physicians, respirologists, and healthcare providers regarding test results and scheduling.

## Why Choose Central Alberta (Red Deer)?

---

- **Significant Affordability:** Average home prices sit around \$393,700—substantially lower than Calgary, Vancouver, or Toronto. Keep more of what you earn and build real financial freedom.

- **Strategic Location:** Situated directly between Calgary and Edmonton, just 1 hour from the Rocky Mountains, and minutes from Sylvan Lake beaches.
- **Active Lifestyle & Strong Community:** Enjoy year-round recreation (hiking, biking, skiing, water sports), top-tier schools, and an easygoing commute.

## What We're Looking For

---

- Graduate of an accredited Cardiopulmonary / Pulmonary Function Technology program.
- Active registration/membership in good standing with the CACPT (Canadian Association of Cardiopulmonary Technologists).
- Proven expertise in diagnostic pulmonary function testing and ATS quality assurance standards.
- Valid Class 5 Driver's License with a clean driver's abstract.
- Valid BLS / CPR Level C / HCP certification.

### **READY TO OWN YOUR PFT PRACTICE IN A BETTER ENVIRONMENT?**

Ready for a predictable schedule, a supportive team, and a workplace that lets you focus on high-quality diagnostic care?
